WEEK 7

Please take time to read the newsletter.

Mission Statement

Here at St. Rose of Lima School we are dedicated to the missionary zeal of the gospel, committed to academic's excellence to develop the next generation to know, love and live the faith.

A Coronavirus Prayer

Jesus Christ, you traveled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbors from helping one another.
