WEEK 9

Please take time to read the newsletter.

Mission Statement

Here at St. Rose of Lima School we are dedicated to the missionary zeal of the gospel, committed to academic's excellence to develop the next generation to know, love and live the faith.

A Coronavirus Prayer

Jesus Christ, you traveled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love. Heal those who are sick with the virus. May they regain their strength and health through quality medical care. Heal us from our fear, which prevents nations from working together and neighbors from helping one another.

Principal's Message

Dear SRL Parents,

Welcome to week 9! Keep up the great work everyone. In the month of November, we have many activities planned, so please take time to read the weekly newsletter and calendar, it contains important information for the week as well as upcoming events.

Let me also take this opportunity to thank our wonderful parents who have made donations to our school with PPE supplies; as you know the school is open and we have a couple of our students attending school for in-person instruction. Due to this, our school building must get clean and disinfected daily.
