**Prayer:**

We ask you, as the People of God, to unite in a special prayer for victims of child sexual abuse.

“A Prayer for Healing Victims of Abuse”

Holy Spirit, comforter of hearts, heal your people’s wounds and transform brokenness into wholeness. Grant us the courage and wisdom, humility and grace, to act with justice.

Breathe wisdom into our prayers and labors. Grant that all harmed by abuse may find peace and justice.

We ask this through Christ, our Lord.

**Ensuring the safety of**

**others:** I would like to remind our families that in order for our school to remain healthy, safe, and open, we must all do our part daily. I ask you parents, especially for those attending school in -person instruction to do not gather and/or travel, wear your face coverings, to wash your hands, and to avoid any and all possible opportunities for exposure. Exposure= 15min. or more without a face-covering! There is no need to jeopardize anyone’s (students, teaches/staff and parents) health. If you have been exposing, I respectfully ask you to refrain

from sending your child to school and you will need to quarantine.

**Children Celebrating Our Faith**
