If a student is out of uniform, the following consequences may occur:

- **First Violation:** Each violation of the uniform, PE uniform, free-dress, and hairstyle code in any manner will result in the student receiving a Uniform Referral.
- **Second Violation:** Student will be sent to the office and parents will be called and asked to bring the appropriate uniform.
- **Third Violation:** The student will be sent home and will not be allowed to return to school until the uniform is in compliance.

*Hairstyle violations will be given 3 days to correct the problem before the child is sent home. After the child is sent home, he/she will not be allowed to return to school until the child's hair is returned to its natural color.

*Students who arrive in inappropriate clothing on field trip days and other specific events will not be allowed on the field trip or to participate in the event until proper clothing is provided and the student has changed. The bus will not be held for the student waiting for clothes.

I have read the **Dress Code Guidelines for the 2023-2024** school year and have discussed the guidelines with my child. I understand the importance of following St. Rose of Lima School Uniform Dress Code. I will make sure my child goes to school with the correct uniform every day. If for circumstances out of my control my child is not able to wear the proper uniform, I will send a note to my child's teacher requesting an exception for that day only. If a note is not sent to my child's teacher, I understand that there will be a consequence and my child may receive a Uniform Referral, I might be contacted and asked to bring the proper uniform, or my child may be sent home.
